Fiddlers help residents with their Valentine's Day celebrations

Moscow and the Palouse area are really blessed with early spring weather and lots of sunshine!

There has been a good deal of colds and viruses lately making us short on players at times.

Bishop Place was cancelled on February 1 due to the flu among the residents. Feb. 8 we had eight out at Gritman Adult Care for some Valentine songs. One of their people is Ukie, a Japanese lady who is 95 years old.

We played to a huge audience at Good Sam on Feb. 10. It was their Valentine celebration with a few dancing to the music of 14 musicians and singers. I even got a chance to step around with an elderly gent while Eileen played piano. They brought about 15 college students to help with the dancing and mingling.

Feb. 13 was our jam and meeting with about 15 out. District 9 campout was set for June 10-12 at Camp Lael. The Fiddle Show is set for April 9 at the Lutheran Church on West A. Street.

We played at Avalon House on Feb. 14 and Pullman Seniors the same day and Aspen on Feb. 22. All had fair turnouts. Earl Lyon came out in his wheelchair to hear us on the 15th. He is a

permanent resident now at Latah.

Sorry that only four made it to Potlatch Feb. 18. Clarence, Gary, Carol and Marge gave them some duets and trios which I understand was very well received. Then the Moscow Seniors had a big crowd as usual on Feb. 24.

Upcoming Dates:

March 24 - Clark House with a 5:30 p.m. dinner and then play.

Easter Sunday, March 27, will be a regular jam and no SLO jam at 2 p.m.

Evie's family is having lots of bad news. Elray is about the same. Another of their son's family passed away and Evie's brother is not expected to live. He is in the Veteran's Hospital in Spokane.

That's all for now. All my jokes are old like me so just keep fiddlin'.

Unusual warm February enjoyed

February has come and gone. I don't remember having such warm weather before this year. It was so nice that I wanted to go out and garden, but I know better! It could still frost at night.

Happy St. Patrick's Day

We had some illness in our midst. Most are over their "frogs" and runny noses. We played for all our nursing homes and really enjoyed the people. It's great to get them to join in.

I'm doing just fine, so don't worry. Remember to play once a day! It keeps the frustration away!

—Marilyn Wells

April 29, 30 and May 1 — Hoot's.
