Happy Spring, Merry Christmas, from district 8. We are having a little problem in my area of winter going away and summer coming. Or even having spring. It snowed again last night.

But the good news is some of our facilities have opened back up and we have about five plays a month right now. It feels so good to be back out playing for the residents and having so much fun with them. We went to the Homestead in Rexburg at the beginning of the month and they were hooping and hollering and dancing in the aisles. It was so much fun. Music is just so good for the soul. I used to say I loved being around old people, but now I am one of them. And it's a lot of fun.

Here's to hoping we all can get together again soon. But in the meantime let's have fun at the summer camp outs and getting together with fellow musicians and just having a good time

The Rigby camp out is the first full weekend in June at the Cedar Park golf course. We would love to have all of you show up there and have a great time.
