---

## **District 8**

District 8 is back up and running after a winter off for the snowbirds that take off. We had to shut down the music for 5 months but we are back in full strength now. Although for this snowbird, it is a little too cold still. I might have to go back.

I am happy that we have found new board members to help carry on this organization for at least another year. All things change and I am afraid this will as well as there are less and less members and less and less people that enjoy or remember our style of music. At least that is what we are finding out in our area. But we still love it and with the old time and bluegrass combination, we are making people smile as much as we can.

I hope you are all doing well and are still playing music in your areas.

Love to all

Teresa
