## DISTRICT 8

During these uncertain times, our district is starting to play again for some of the assisted living venues now. We are not playing inside but with the great weather that we are having, we can now play outside, and they're really loving it.

We also met July 10th for a 100th Birthday jam for Inga. It was really fun and Teresa read a biography of her that she wrote a few years ago. She was asked for her secret to longevity, she said "simple, just keep breathing in and out and dance". Hum, I think I'll just give the breathing a try!

Are any of you having the same problem of remembering how to play some of the standard tunes like I am? Since this "COVID 19" shut down, I guess that I kind of shutdown everything, including keeping up with my music. We did use that period to get a few products done around our home which took up a lot of our time. But with all our stuff crammed into one or two rooms, while working on different rooms, we were kind of limited on keeping up with our music! "I know, I know" that's no excuse, but "that's my story and I'm sticking to it!"

We did, of course play out to Mud Lake museum for an incredibly fun crowd, and we all had a fun time 😊 uh, at least I think we did? Did you all have a fun time?

I have not heard back from anyone in our district, so I don't really know what's been happening or going on outside my "bubble", so let me know if something is fun, or interesting going on in your bubble. I have been trying to get District 8 to "bubble up together". No luck yet!

This is Terry, signing off for now
