DISTRICT 8

Hello from District 8 in Idaho Falls We have melted here for the most part. It is so much hotter this summer than we are used to. But we are not complaining. It is better than winter Our play dates have filled up nicely and we are busy as usual. Playing about 2-3 times a week most weeks. This month we are a little slower as we are heading out the Hardtimes Bluegrass Festival for a few days and then up to the Island Park area for a few more days to play there. We love both of these places and the people who we get to be with so it is something we look forward to.

We hope you are all getting back to playing lots now and are all doing well. Our campout was a great success and we are looking forward the Salmon campout the first weekend in August. Another fun time. If you have not been to that one, you should go.

Here is to all the good music and the fun musicians and the best part, the people we play for. We love what we do and appreciate all of you,.
