Wow Fall has been beautiful here. I hope you are having a great fall season. The colors are beautiful and the warm weather has been heavenly. I love it.

We have been playing pretty steady over the last month. No special plays but our seniors are all special to us and we love to play for them. If we can bring a tear and a smile in one day, we have done our job well .

We have acquired a new bass player who is excited to learn and love to play music so that is super exciting for us. That gives us 2 bass players so maybe they can come with duelling basses or something? I think that would be fun.

Quite a few of us are getting ready to head South for the Winter. We will shut down our district at the end of November until may. The residents we play for hate it but we really need it. It is cold here in the winter. So we get to go stay warm and come back energized to play for them again. I hope it makes them appreciate us even more than they do.

Here is to a good winter for all. Stay warm and play music.
