Wow the warm Fall has been replaced with cooler weather and snow that stays on the ground. I hope you are ready for winter. Quite a few of us are getting ready to head South for the Winter. We will shut down our district at the end of November until May. We have been back to our normal schedule over the last month. Two or three times a week keeps us busy and still allows time to fit in extra plays when asked. Our audiences are getting bigger and the song requests are changing too. We still get requests for songs we can't play and hope to learn but we are also getting requests for songs we used to play and can't remember. I guess that is what happens when you are an Old Time Fiddler.

Here is to a good winter for all. Stay warm and play music.
