

So I love you guys! I usually here from you when you go over to Turtle and Crane Assisted Living Care Center in Idaho Falls, and I sit with my grandmother who just recently passed a couple weeks ago. I love your music and the sound and rhythm brings me back to my roots.

I really, really want you guys to play for us and me as I feel the spirit from you guys, the love that you guys have for your music and it would be a dream come true to hear from you guys there. You all are AMAZING!!! I know you guys would bring the spirit of Christmas through you as well as your music and the love you have for it!! Again you guys are TRULY AMAZING!!!!
